

"Good Morning Year 3"

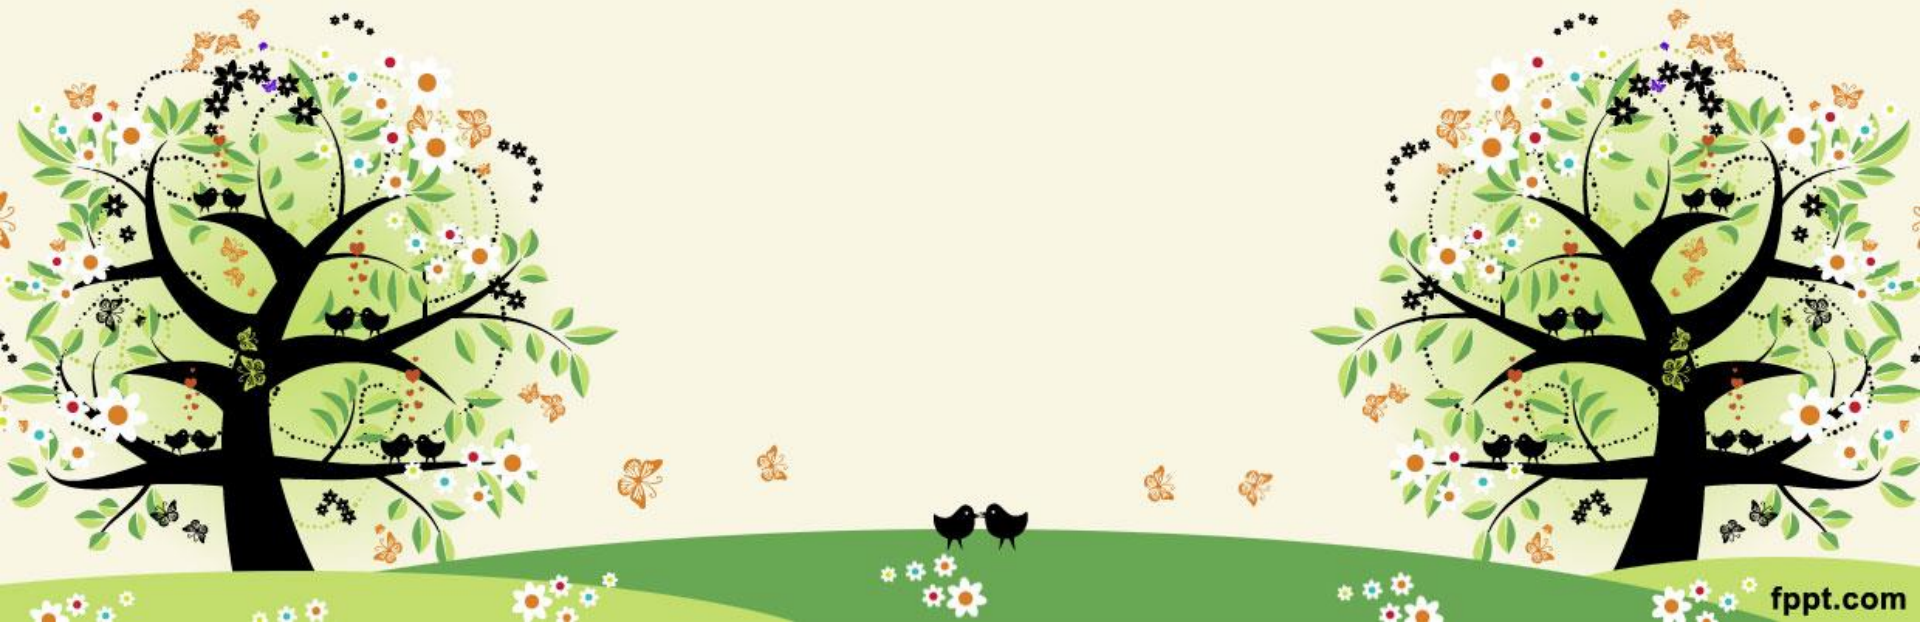

Tuesday 2nd February 2021

Maths Week 5

Maths - Week 5

Lesson 2

How are you feeling today?

confused

relaxed

excited

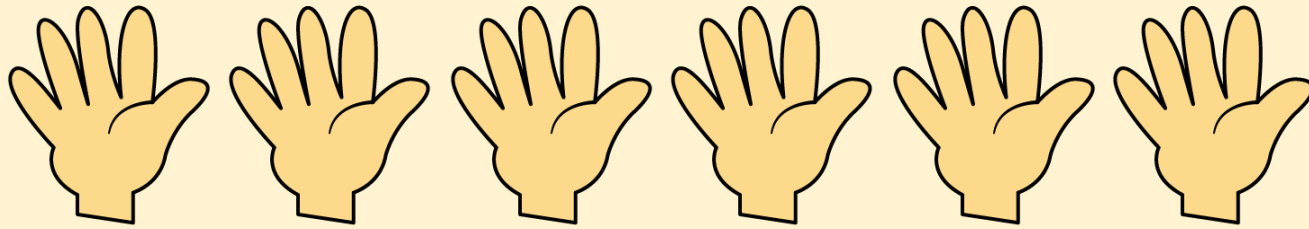

sleepy

happy

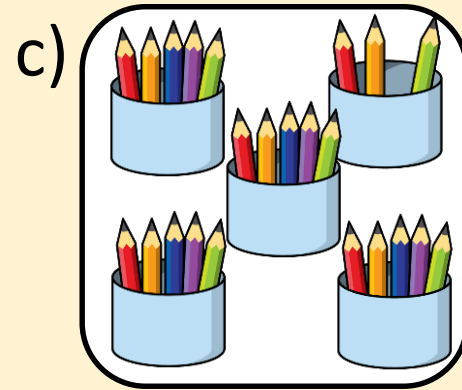

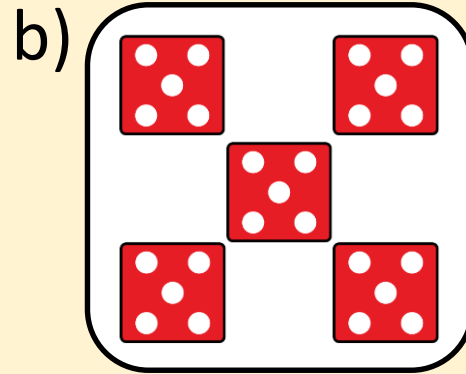

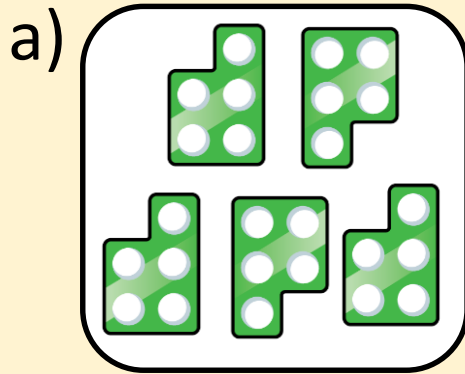

curious

Starter – to warm up our brains

1) How many fingers?

2) Which set does **not** show 25?

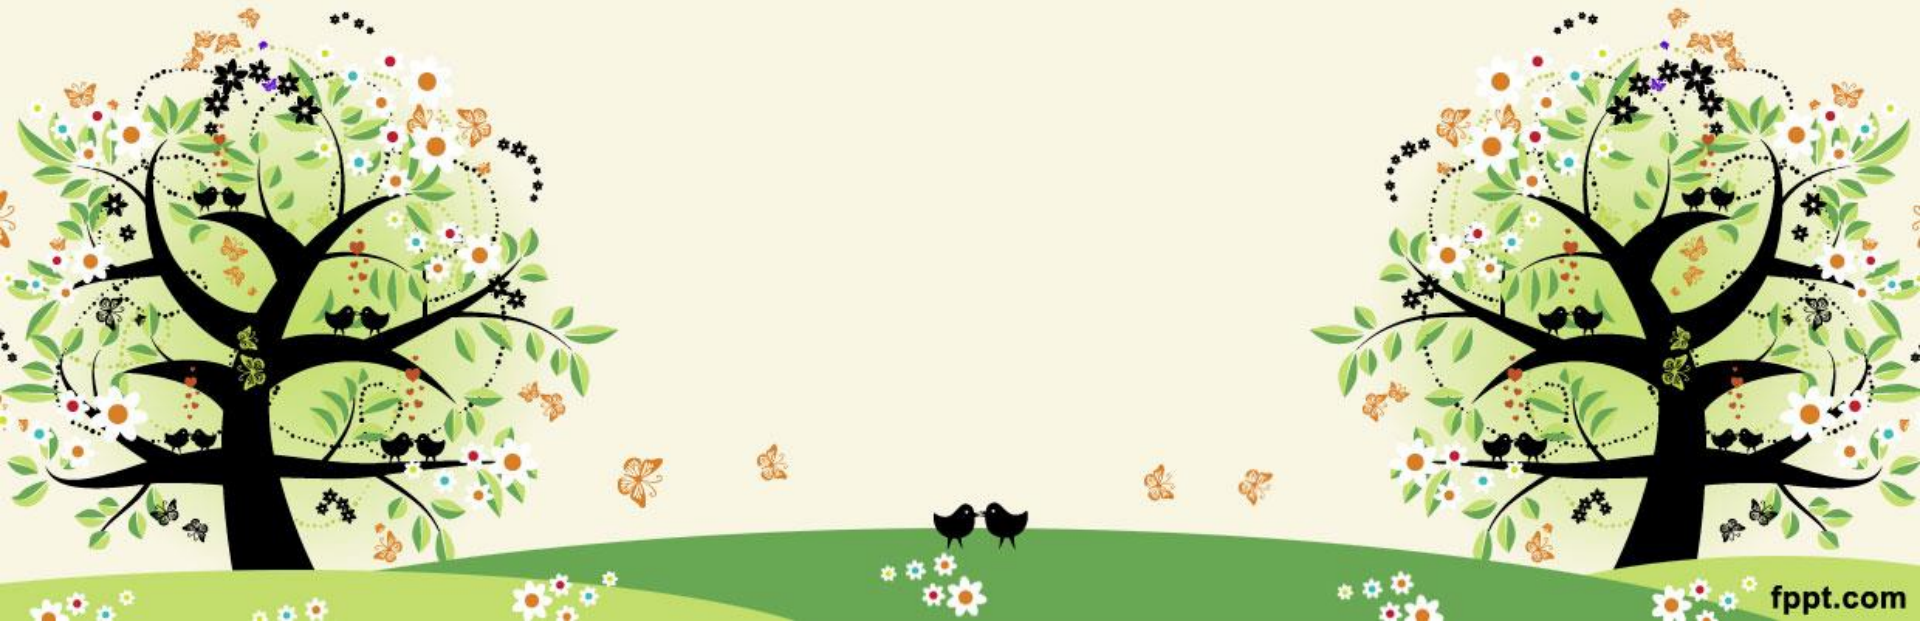

3) How much?

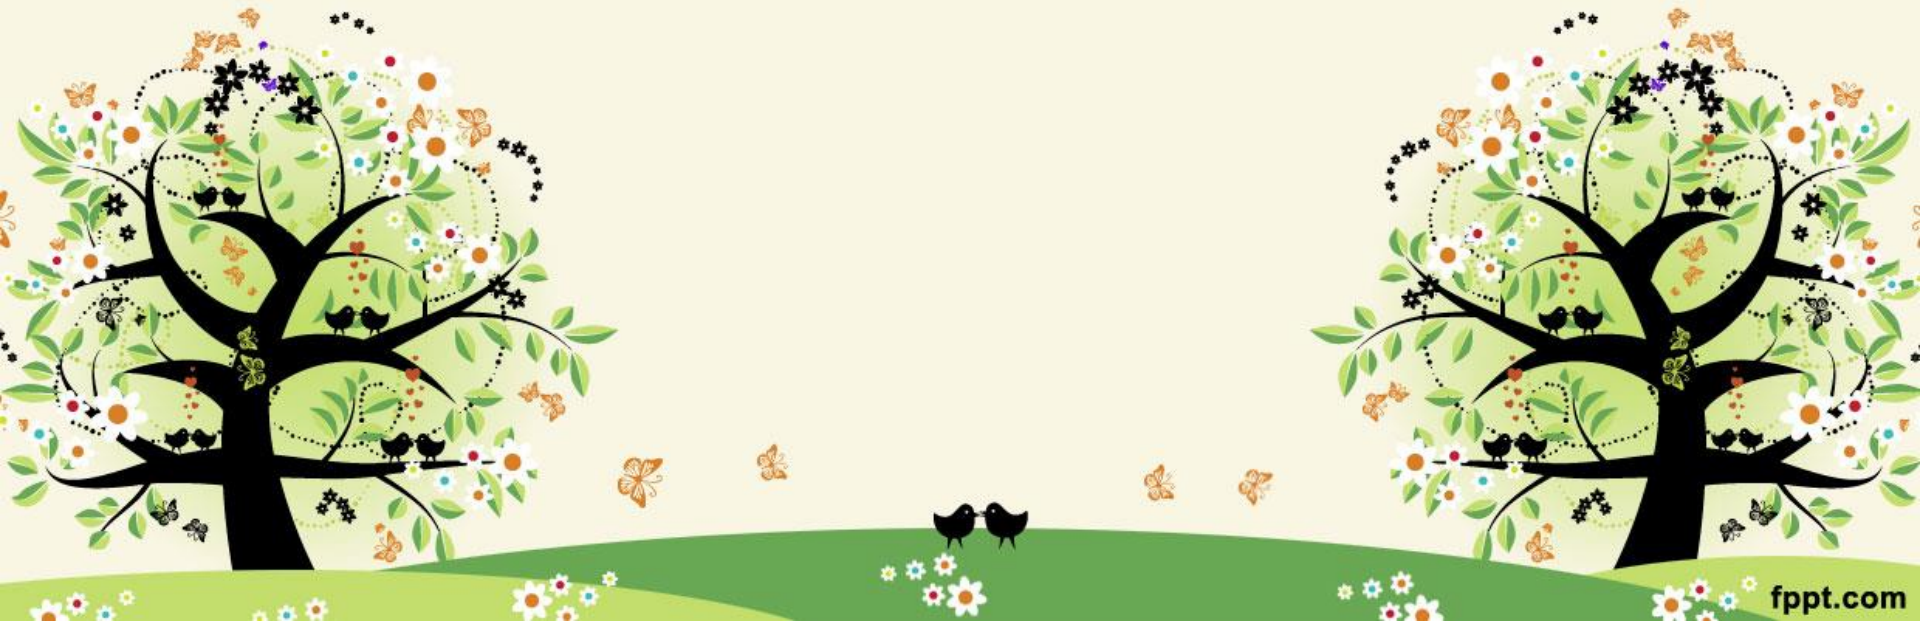

Walt: make tally charts

S2S: I can

- draw presentable lines
- use comparative vocabulary
- use a tally chart to record data systematically

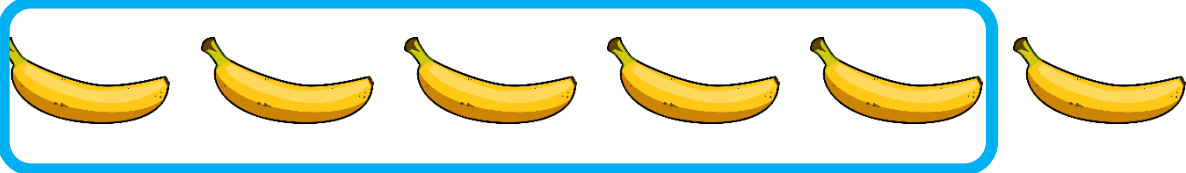

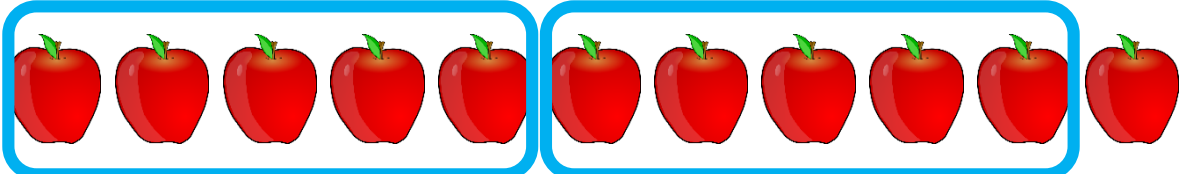

Let's learn

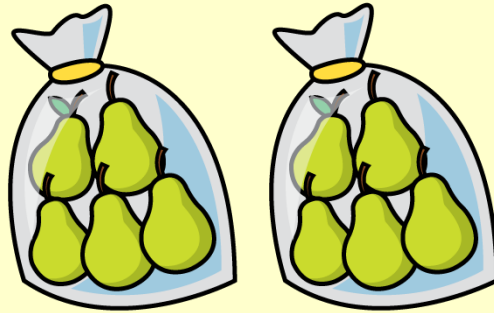

How many of each fruit can you see?
What is the best way to count them?

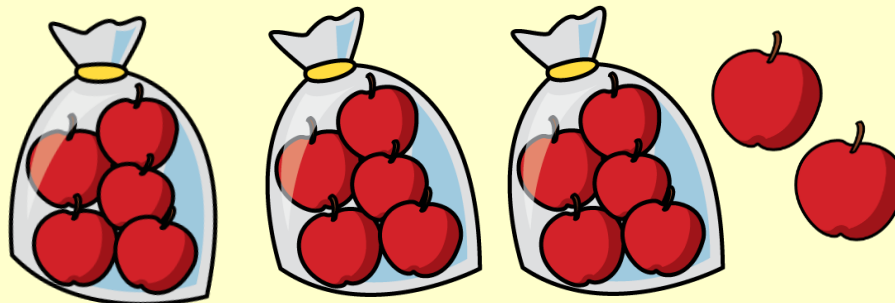

Is there an easier way to count them?
We can group them in 5s.

		Total
bananas		
water-melons		
apples		

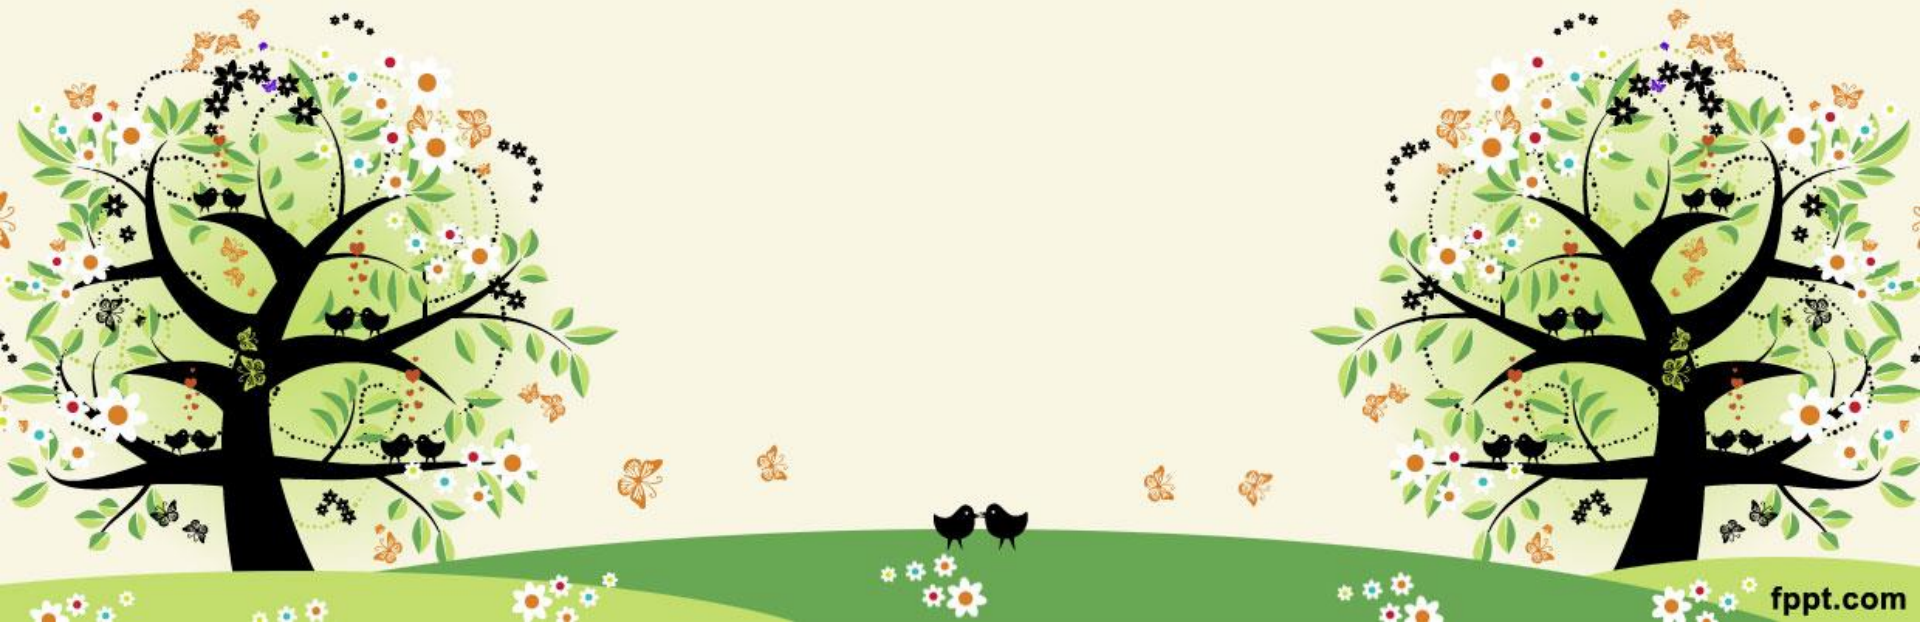

Draw a tally to represent each type of fruit

Have a think

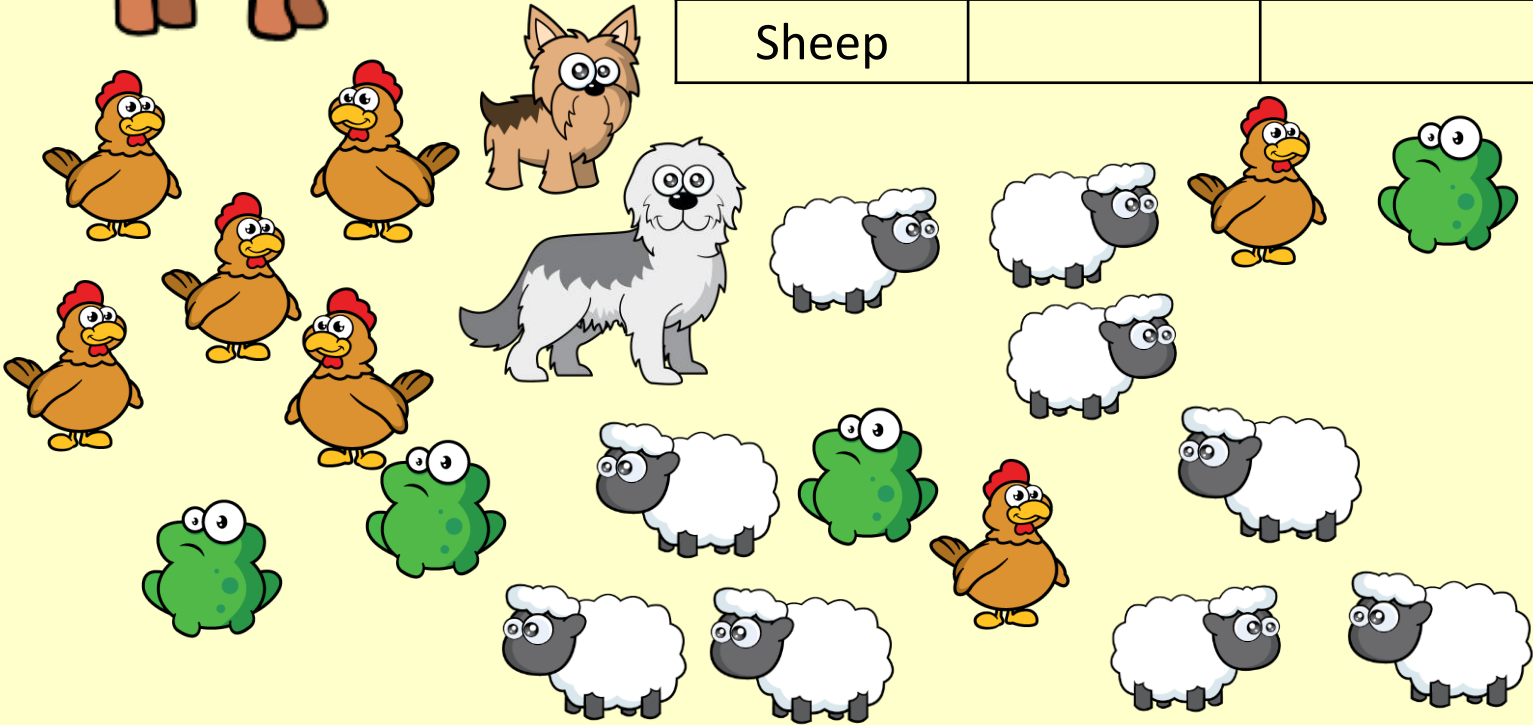

Guided Practise

Animals	Tally	Total
Horses		
Dogs		
Chickens		
Frogs		
Sheep		

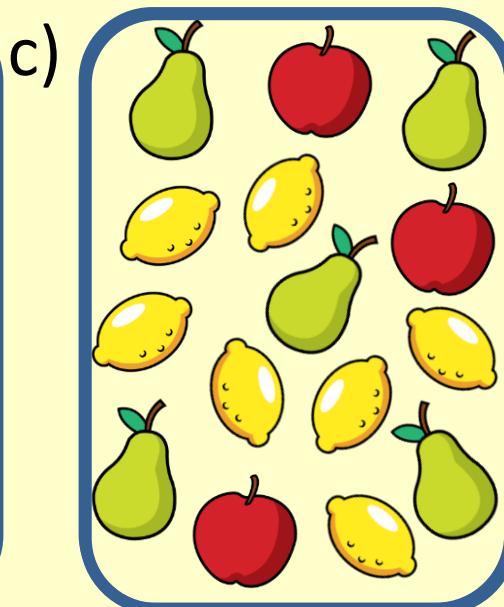

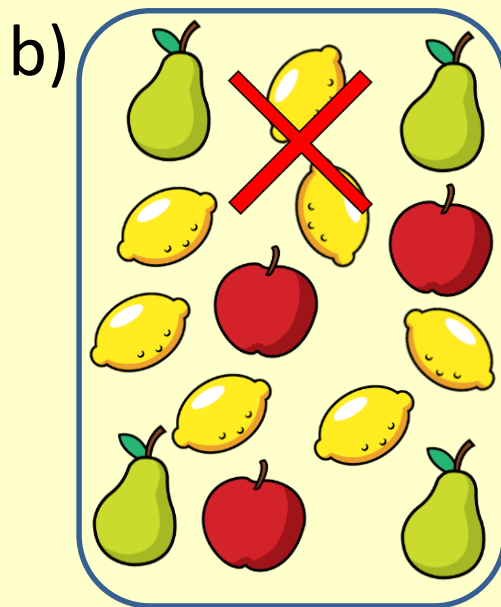

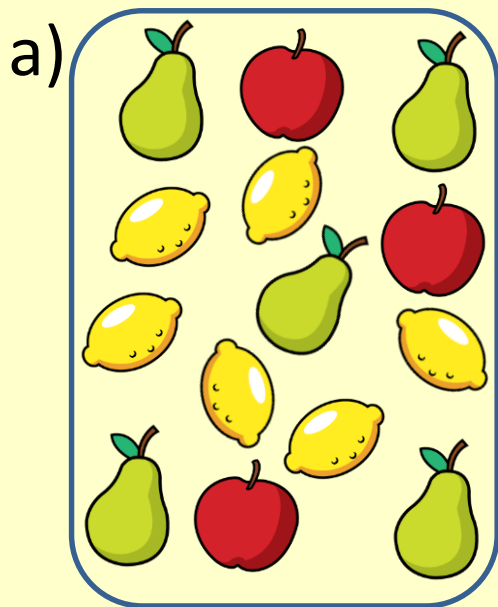

Which set of fruit matches the tally chart?

Fruit	Tally
apples	III
pears	IIII
lemons	IIII II

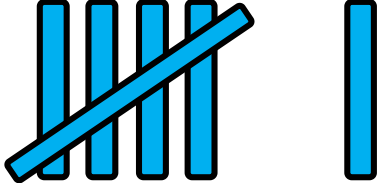

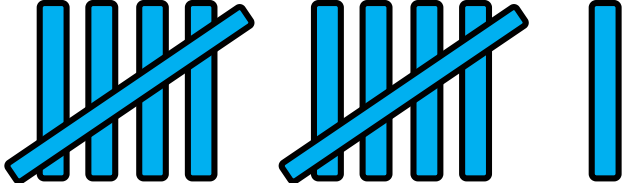

Have a think

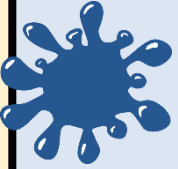

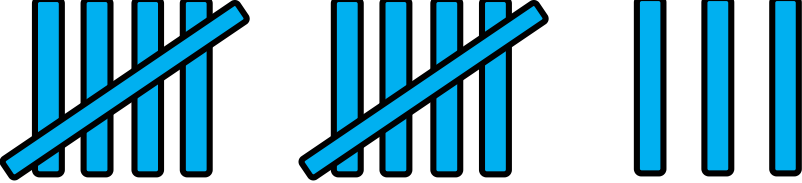

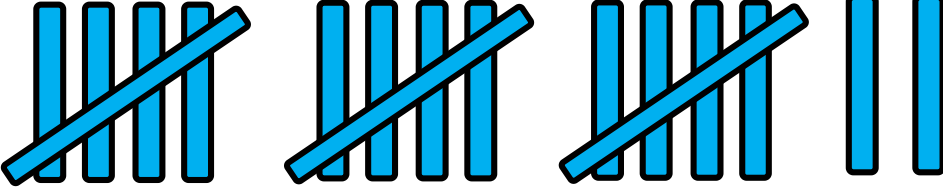

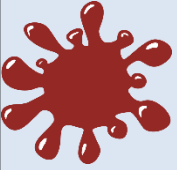

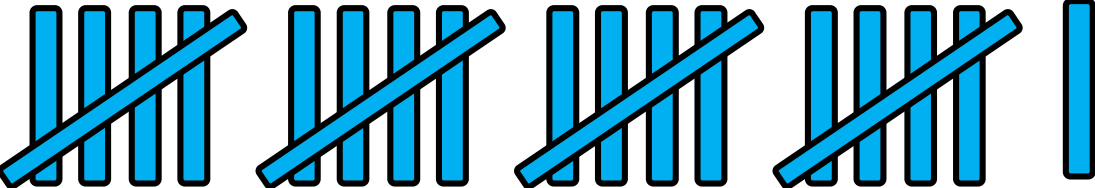

Is there an easier way to draw and count them?

We can use sticks or tallies to represent the fruit.

		Total
bananas		
water-melons		
apples		

Which was the most popular?

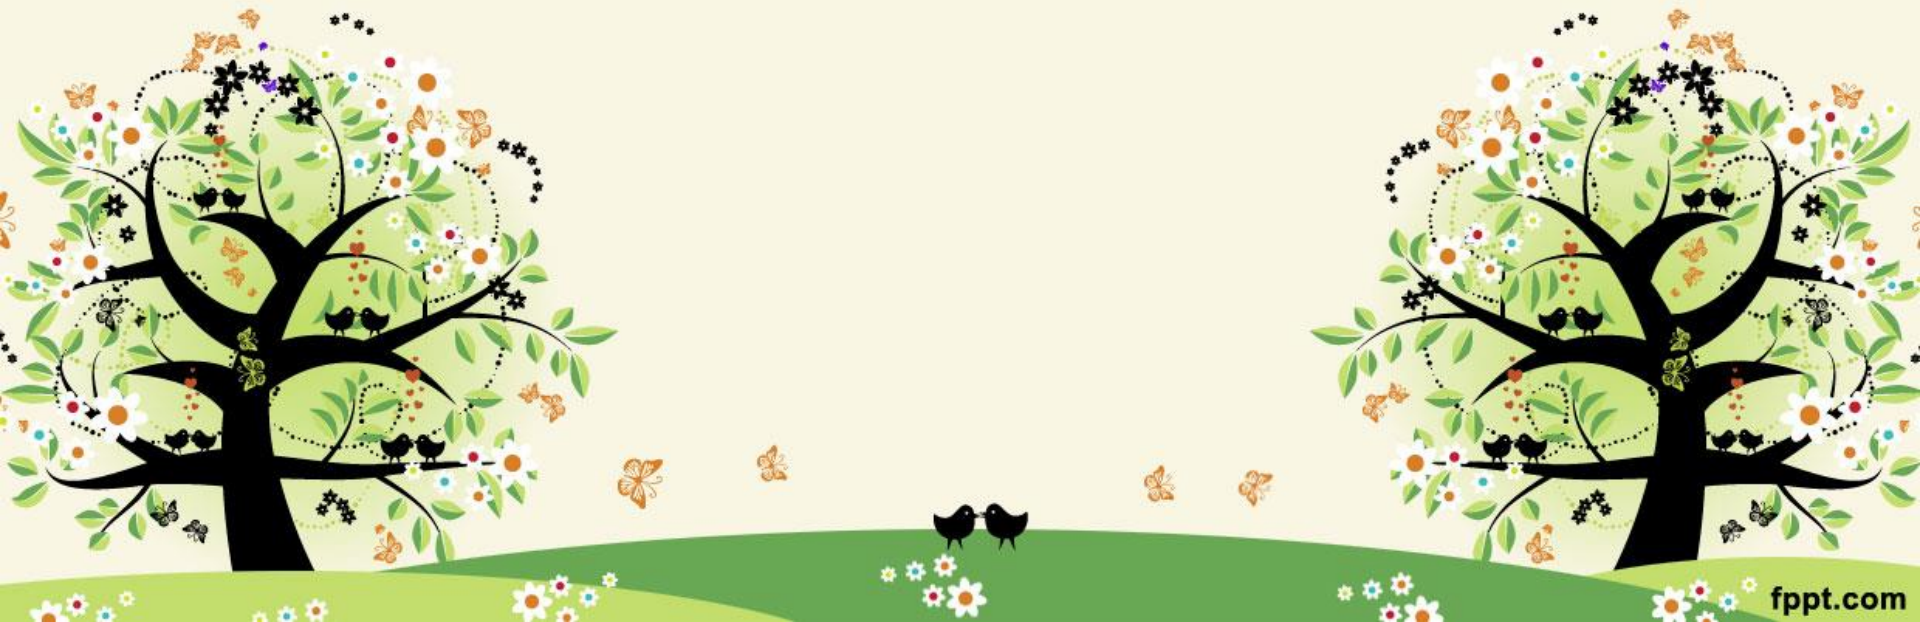

Colour	Tally	Total
 blue		
 green		
 red		

 is the most popular.

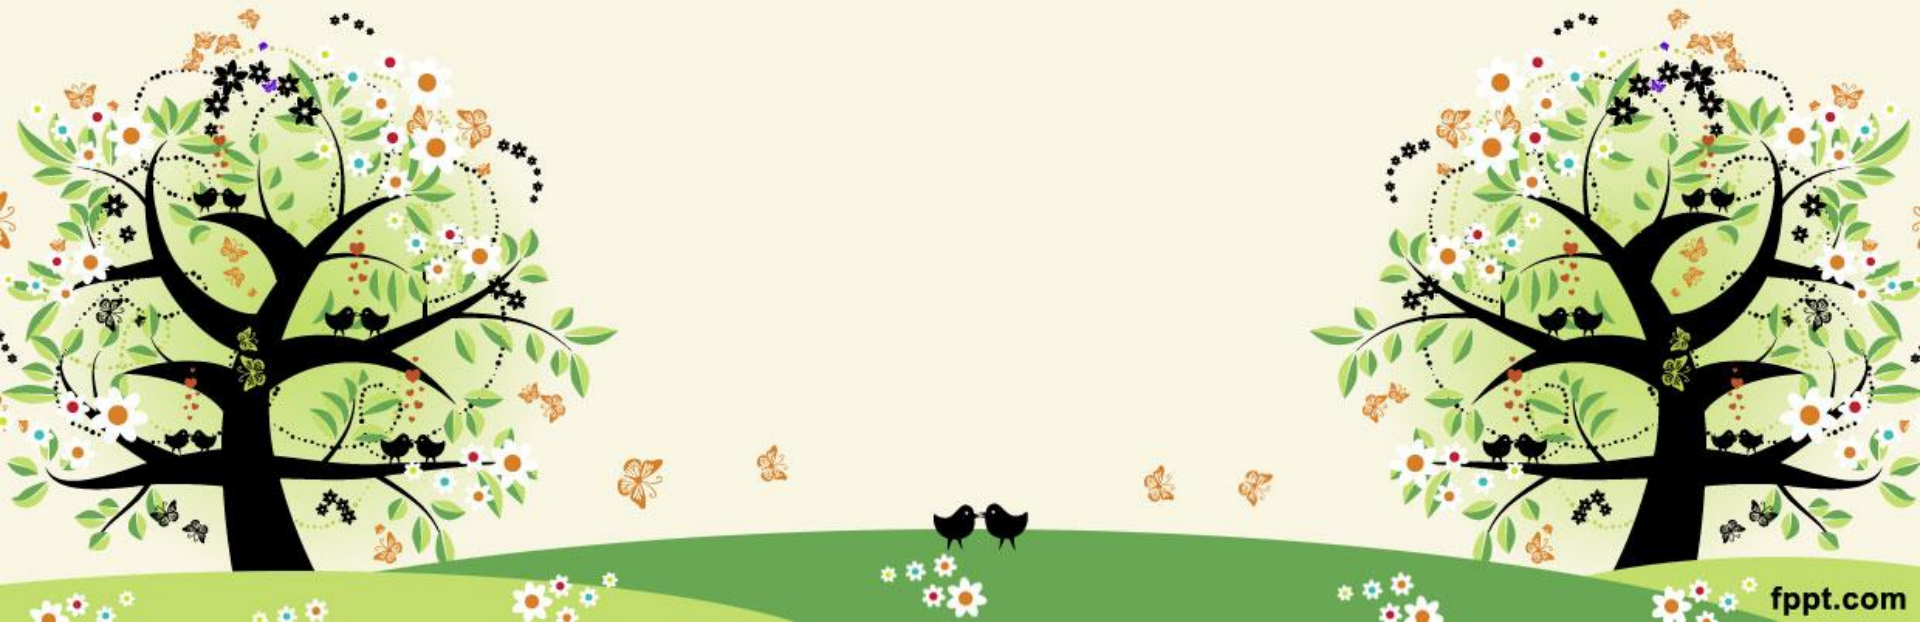

Which is the odd one out?
Can you explain why?

Snack	Tally	Total
cookie		
crisps		
apple		
muffin		

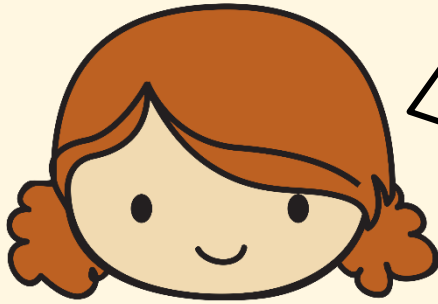

Over to you - Independent questions

Problem Solving

True or false?

I saw more cars than bikes and buses together.

Vehicle	Tally					Total
Bikes	 	 				
Cars	 	 	 	 	 	
Buses	 	 				

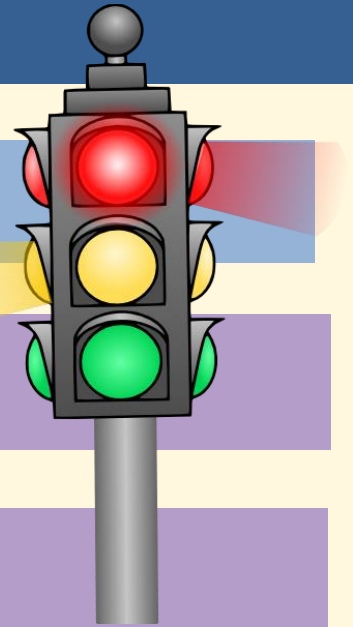

Reflection – Traffic Lights

Where did I get to today?

I can now.....

I need more practice with...

I still need to learn how to

... count in 5's.

... use
comparative
vocabulary.

... use a tally
chart to record
data
systematically.
