Art

Now that we have practised some sketching techniques, you are going to have go at implementing this into your own sketch.

You will be drawing a sound creature!!

Sound Creature

- Your challenge is to draw a creature inspired by the sound you hear. There are five different sounds to choose from.
- What does it look like? Does it sound like a big or small creature? Is it real, imaginary, or a bit of both? Does it have scales or smooth skin? Is it fluffy? Does it have feathers? Is it rough? Is it shiny?

- Click on the link and scroll to the bottom to listen to the sounds and choose which one you want to sketch!

- Don't forget to start by sketching the outline and then adding in your detail. You could create your tone scale too, to help you add more detail to your creature.
