my name is ruby red and i live in '*once upon a time*' in a village on the edge of a forest. you've probably heard of my cousin, little red riding hood. she was the one who got into a bit of bother with a wolf.

like little red riding hood, or rhh for short, i also wear red, but then so do my father, mother, brother, uncle and aunt. granny got a huge discount on a large roll of red cloth and has been making us all revolting red clothes for the past year. i really don't like red! i look like a rotten radish.

anyway, back to my story. like rhh i also go to visit granny and walk through the forest to take her a scrumptious picnic basket of home-made goodies. and like rhh, i once met a wolf. luckily, it didn't eat me all up. but i must tell you, my story ended very, very differently from my cousin's.
