

Tuesday Phonics Activity

Today we are re-visiting some of the digraphs that we have already taught. After today's phonic learning we would like you to write the words onto some card or paper and play snap, or matching pairs. You could also do this with the tricky words as well.

After that try to say or write a sentence that has the words in it, e.g The goat is in the shed.

Daily Learning Activity

Write some instructions about how to make a pancake. You will need to write a list of the ingredients first. Then write down each step of how to make and cook the pancake.

If you haven't made pancakes already, you could follow your instructions and make your own.

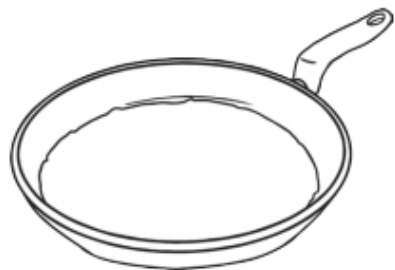

Write a shopping list of the things you will need to buy to make pancakes.

4

WALT: Write words and simple sentences.

w/c: 22.02.2020

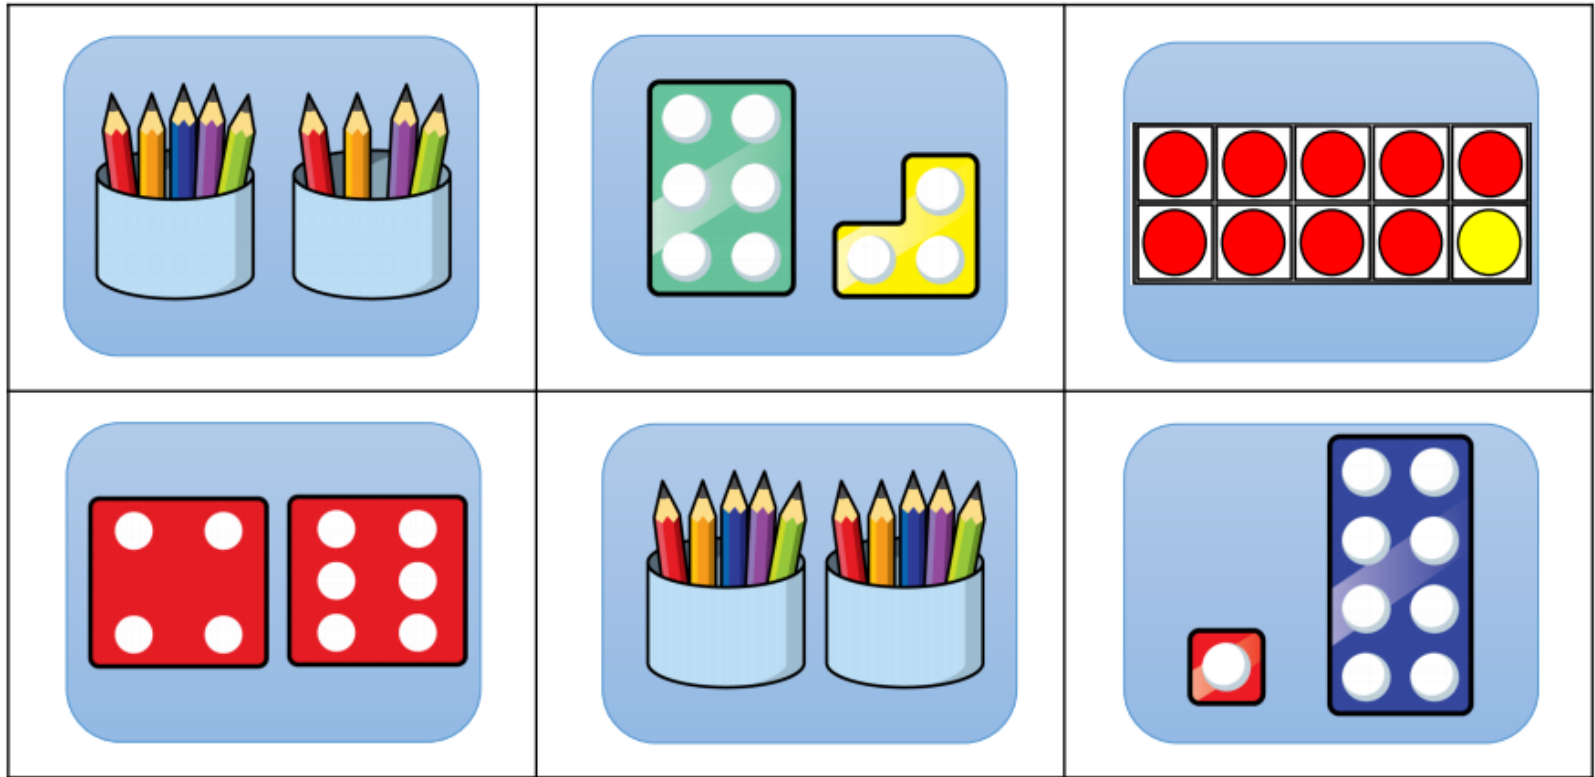

Maths Activity

Have a look at each card. Does it represent 9 or 10?

Sort the cards into two groups.

Now have a go at making your own cards.
