

Thursday Phonics Activity

After watching our phonics video about our new digraph **'oi,'** we would like you to find as many things/think of as you can that contain that sound. You can also have a try at writing the words.

Or watch the clip below and write as many words as you can remember.

<https://www.youtube.com/watch?v=Z-0wWdE-Ezg>

Phase 3 Real and Nonsense Words - oi

Can you spot which words are real and which are nonsense below?

Fill in your key with a different colour for real words and nonsense words and then colour in the correct boxes below.

Real Words <input type="checkbox"/>	Nonsense Words <input type="checkbox"/>
-------------------------------------	---

choish	oil	boib	soib
boip	boil	quoif	shoip
woid	coin	foil	hoid
choin	toil	soil	think
goid	join	coil	poil

Daily Learning Activity

In Maths we are learning about the number 9 and 10. Previously we have combined 2 groups to make a number.

Can you now show different ways that you can combine 3 groups to make 9 or 10.

You could use 3 plates and put 9 pieces of fruit between the plates, or use beads, cubes, cut out pieces of fruit. Or any 9 objects you would like to use.

Maths Activity

#MathsEveryoneCan

Here is Teddy's black dots number 9 picture.

Draw your own number 10 picture using 10 black dots.

Then have a go at drawing another picture, exploring the different ways you can show 10.
