All About Cats

What Are Cats?

Cats are furry mammals with four legs. They are kept as pets all over the world.

What Sounds Do Cats Make?

Cats can make lots of different sounds. Kittens meow at their mothers. Cats also purr when they are happy. They hiss when they are angry.

Did You Know...?

Adult cats do not meow at each other. They only meow at humans when they need something, like food.

What Do Cats Eat?

Cats are carnivores, which means that they eat meat. This gives them what they need to stay fit and healthy.

They are very good hunters and often catch birds and mice.

Did You Know...?

Cats can see in the dark. This helps them to spot small animals moving at night.

What Do Cats Do?

Cats love to play. This helps them with chasing and catching mice.

Cats can jump very high into the air. They always land on their feet.

Cats are good at climbing. They use their claws to grip.

Cats spend most of their time asleep!
