Thursday 25<sup>th</sup> February 2021

**WALT** develop an understanding of words  
associated with feeling scared or stressed

S2S: I can

- identify word pairs
- find synonyms
- apply vocabulary in sentences

# Generate vocabulary ideas for emotions

Copy the link to your browser to watch the English learning video by Oak National Academy.

When completing today's main learning activity, please write neatly in your book.

- Write in your book all 3 definitions that are mentioned - don't just think about it!
- With the writing challenging – create 3 detailed sentences (long sentences) and not just one.
- In your sentences use more than one key word (which you will learn today)

# Reflection

Thursday 25<sup>th</sup> February 2021

WALT develop an understanding of words associated with feeling scared or stressed
