

Maths
Learning
Measurement:
Length and
Height

Term 4 week 2 lesson 3

We are learning to...

WALT: compare lengths and heights S2S

(steps to success):

I can:

- use objects to compare taller and shorter
- use objects to compare longest and shortest
- compare the heights of my friends

In focus...

Practise your counting...
Can you count in the following
ways?

0 to 50 in 1's and back down

0 to 20 in 2's and back down

0 to 100 in 10's and back down

0 to 50 in 5's and back down

Keep practising the ones you
are finding tricky. Can you
count even further?

Lets learn

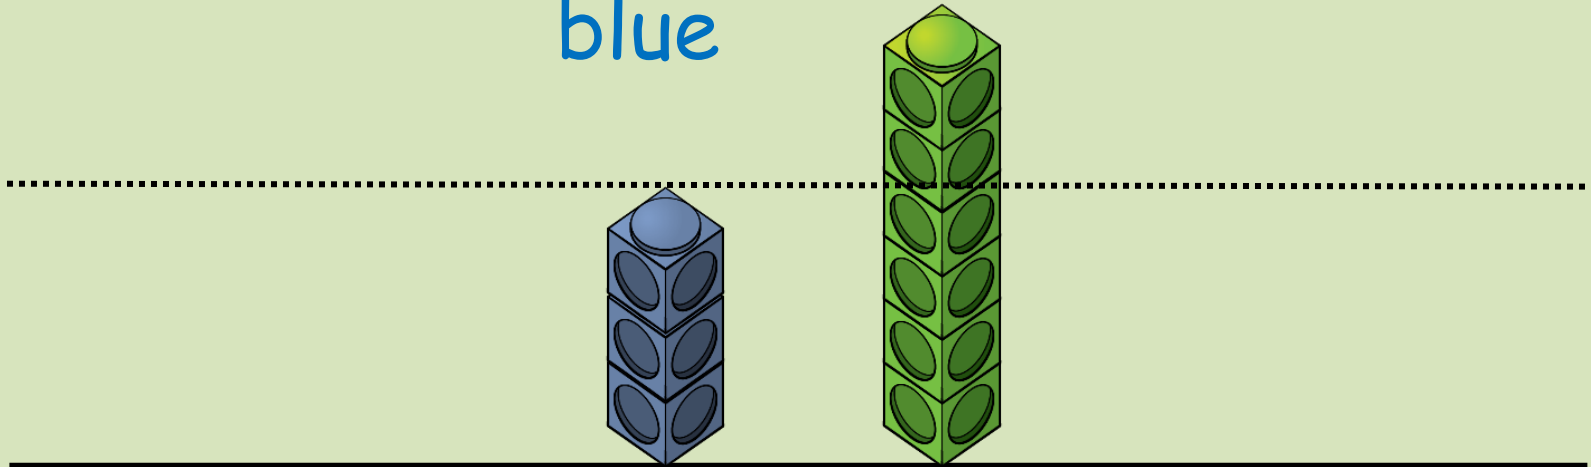

Let's compare...

Have a think

blue

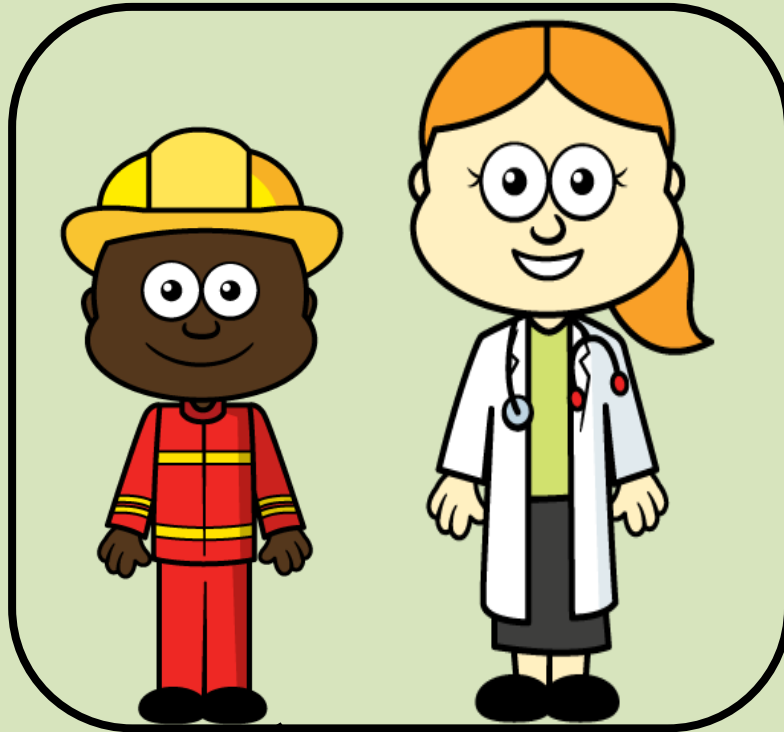

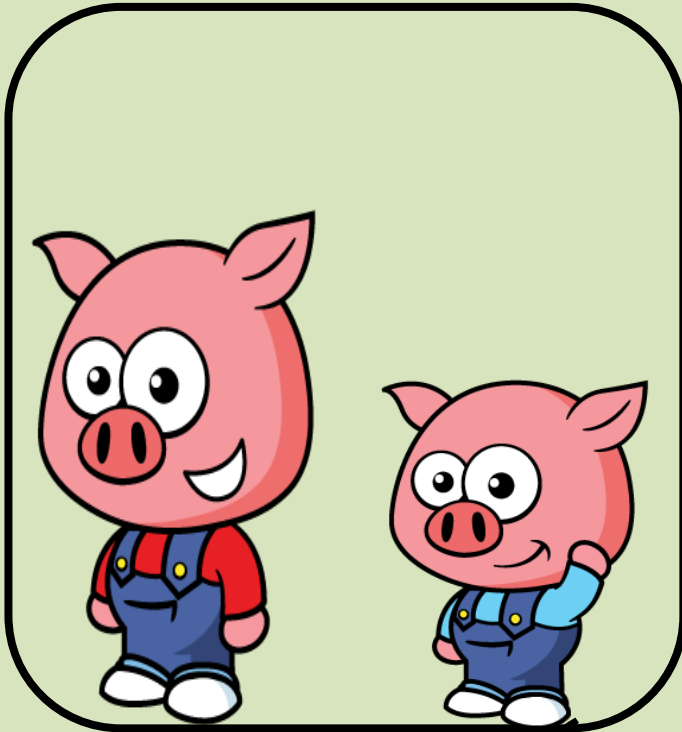

green

The tower is taller.

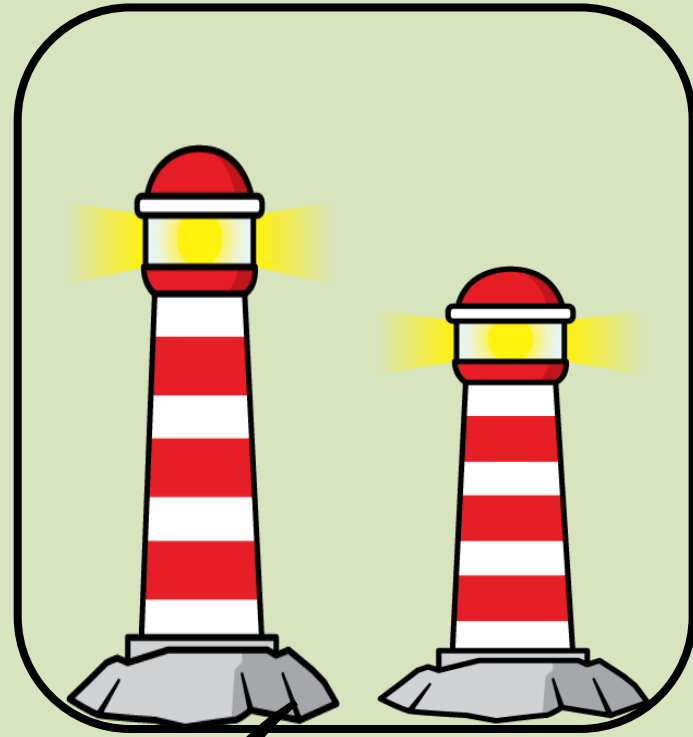

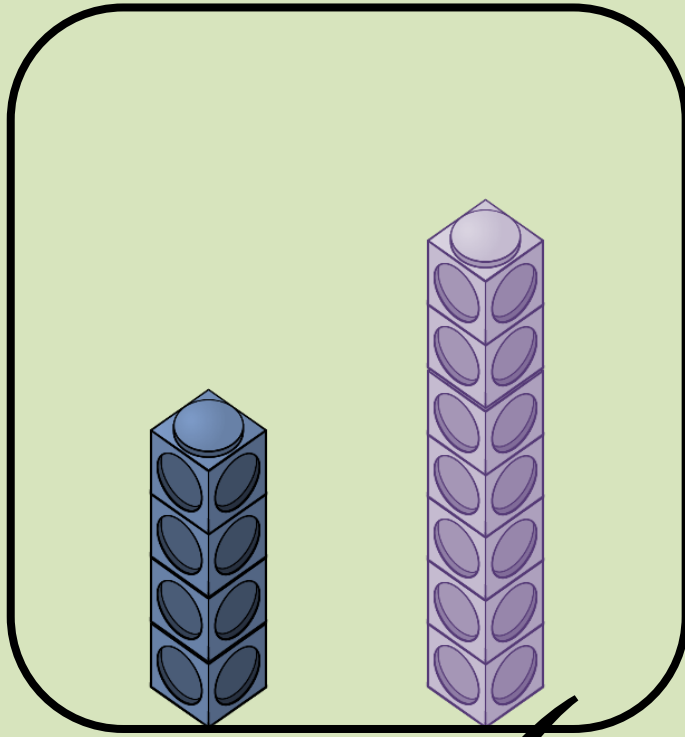

The tower is shorter.

Let's compare height
Who is shorter?

Let's compare height

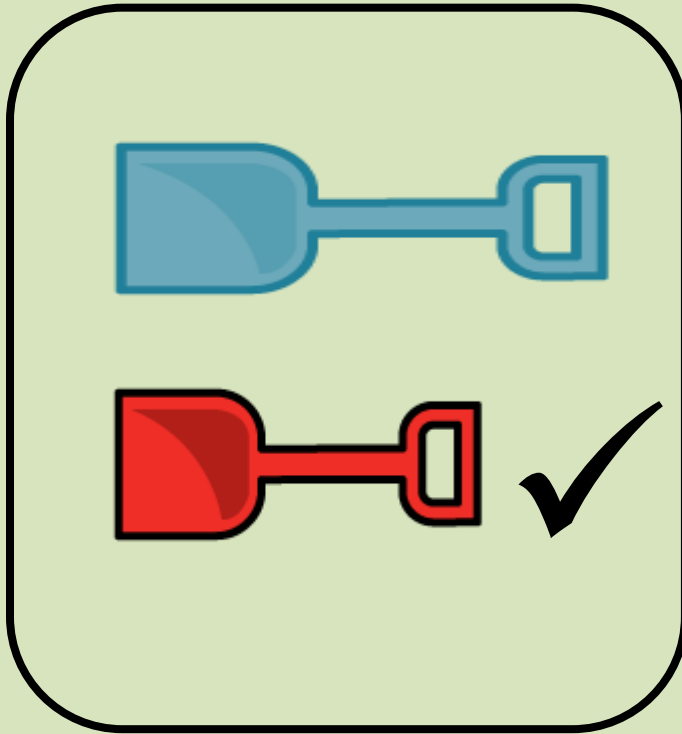

Have a think

Which is taller?

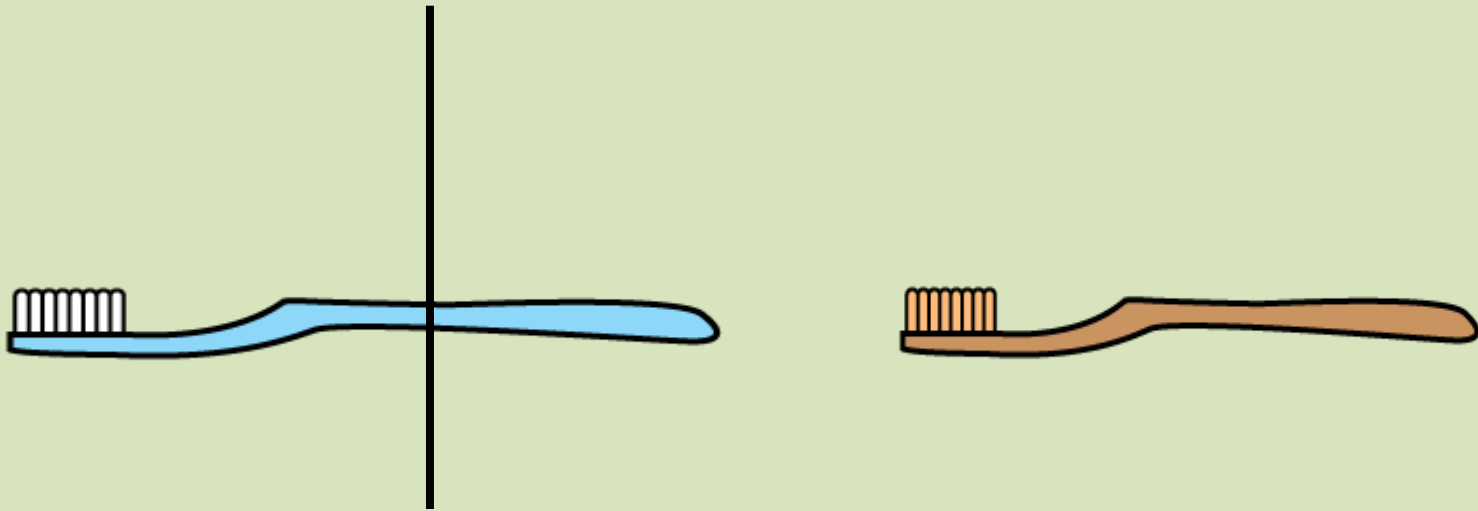

Let's compare length!

Have a think

Which is shorter?

Which is longer?
Which is shorter?

The blue toothbrush is longer.

The green toothbrush is shorter.

Guided practise

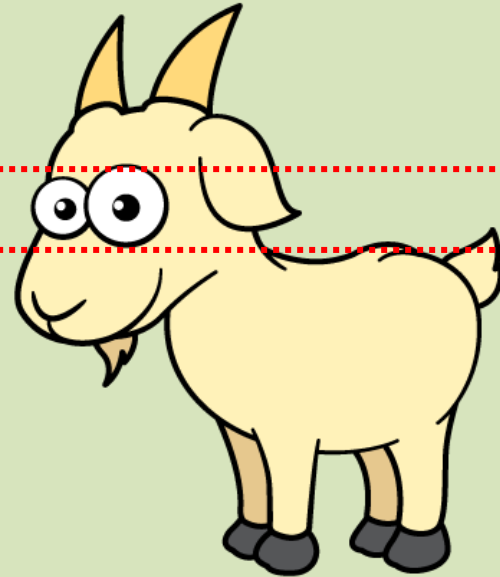

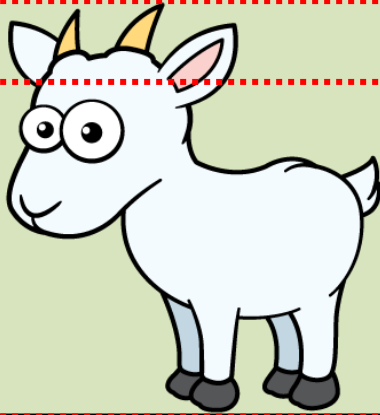

Let's compare...

Have a think

Can you put these in order from
shortest to tallest?

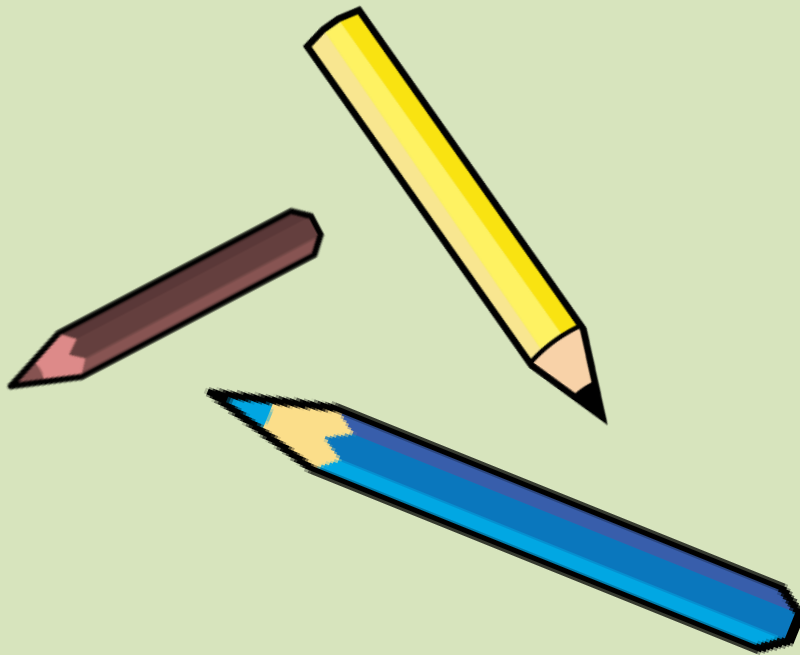

shortest

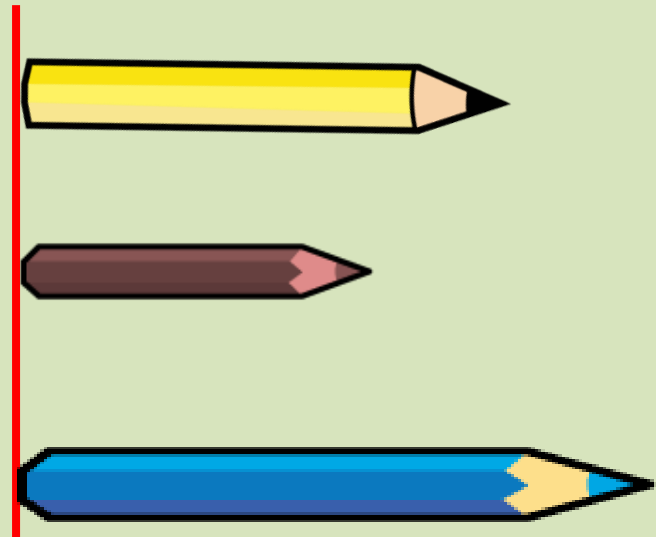

tallest

Can you put these in order from
longest to shortest?

Have a think

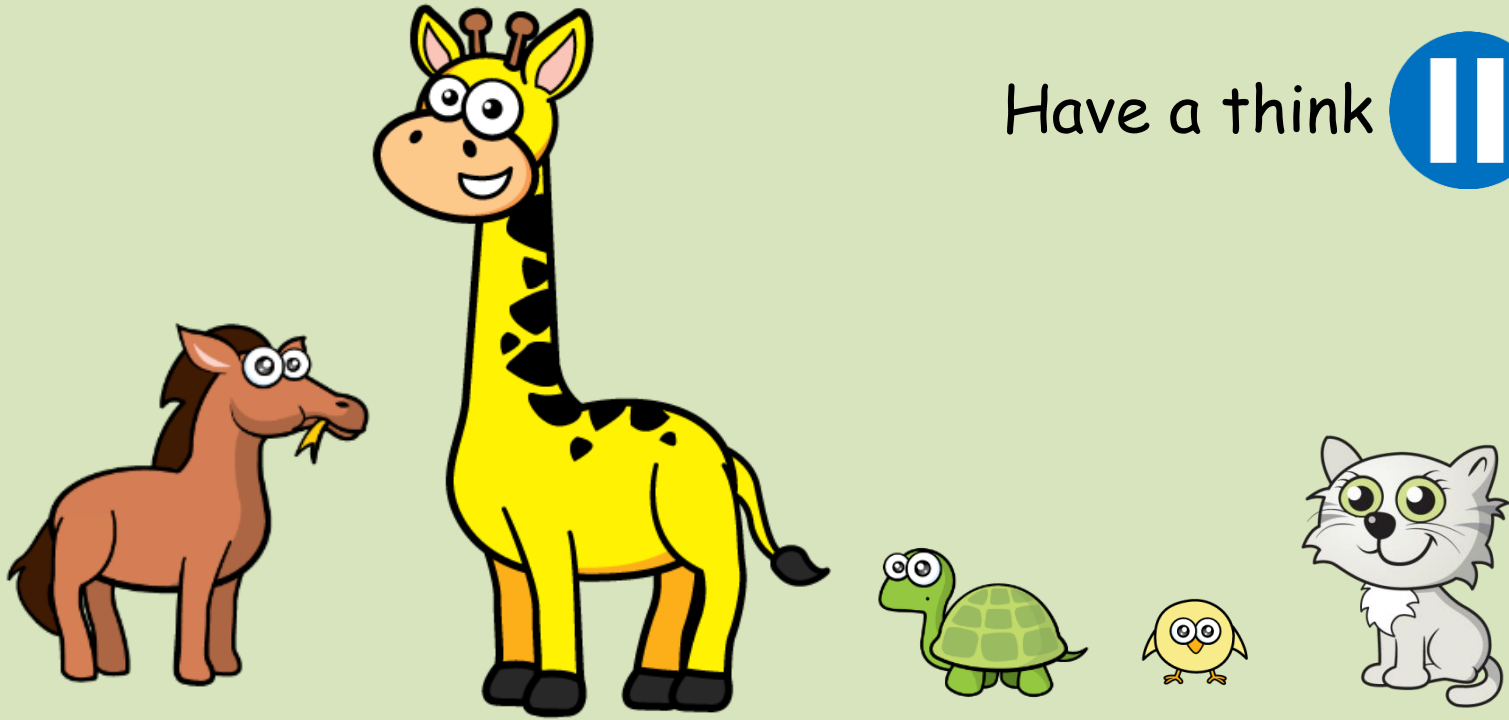

longest

shortest

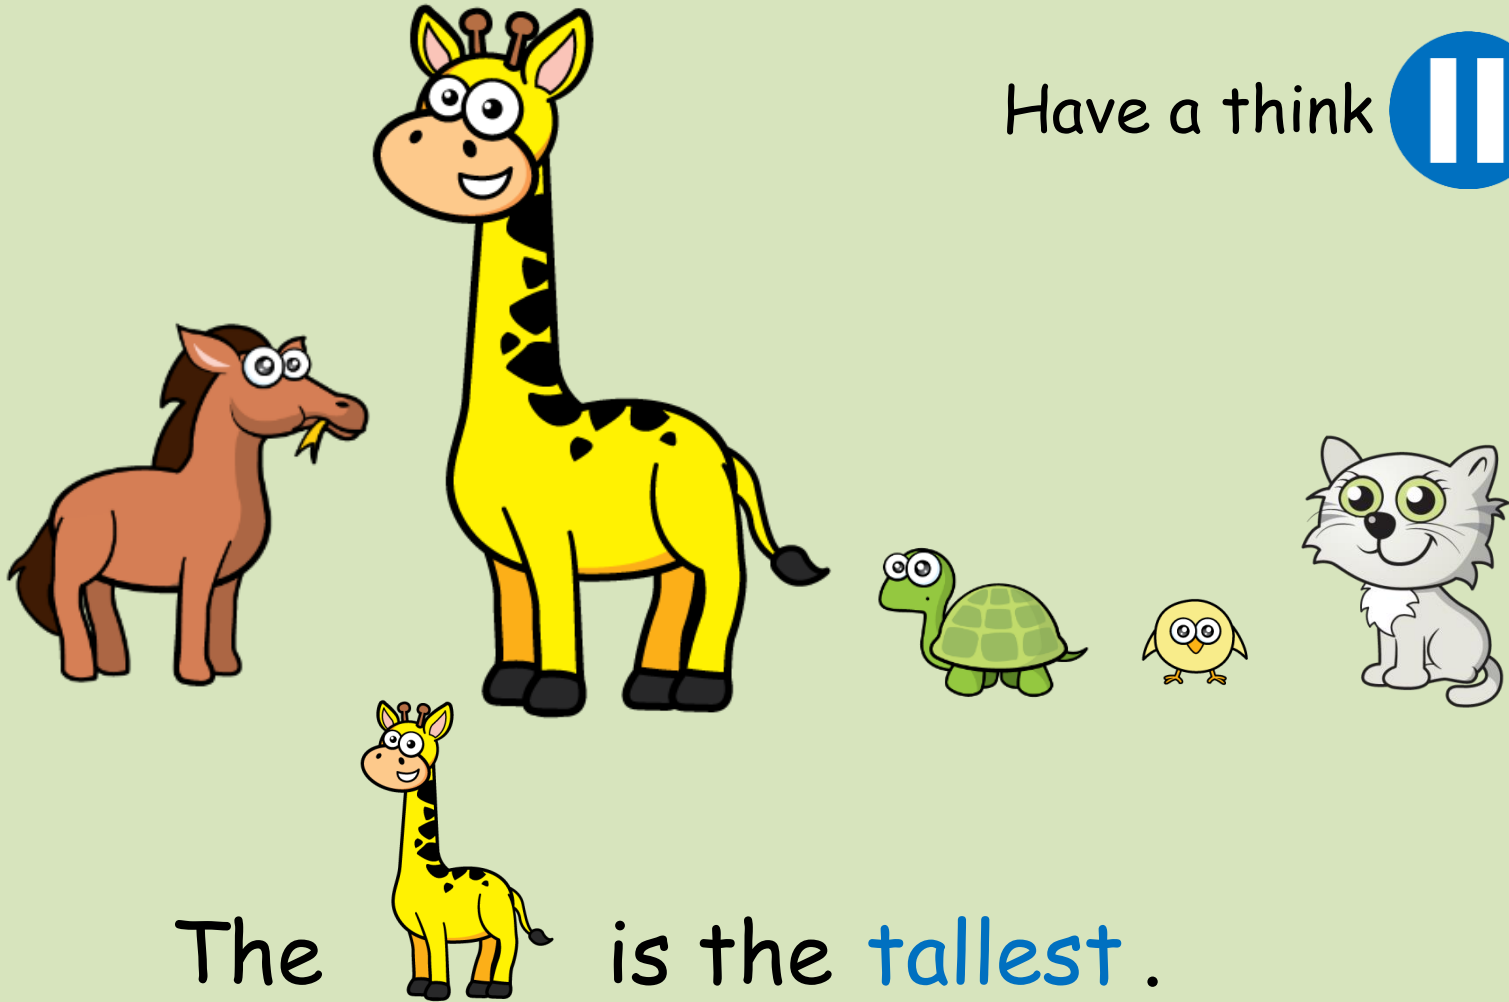

Have a think

The  is taller than the  

The  is shorter than the 

Have a think

The  is the tallest .

The  is the shortest .

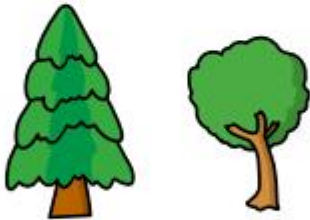

Independent practise

Compare lengths and heights

1 a) Tick the taller flower.
