

# Stone Age Survival – Seasons Wheel

Draw or stick a picture of the food you gathered or hunted on to the correct season on the plate.

- In which seasons were you able to gather the greatest variety of food?
- You can hunt animals all year round. When do you think it would be easiest to hunt them? When would it be most difficult? Do you think the animals would migrate? Would this be a problem for stone-age hunter-gatherers? Using what you have learnt, write the name of the stone-age animal in the best season to hunt it.
