

Challenge 1 – Maths

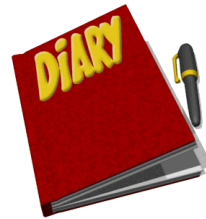

Practise learning how to tell the time. What does the short hand show? What does the big hand show?

Read a clock face to o'clock, half past, quarter past and quarter to the hour. What does this look like on a digital clock? **Complete the sheets to show telling the time.** Keep track of your day and see how time passes. What can you do in 30 seconds, a minute an hour? Discuss how long it would take to do different activities like clean your teeth or travel to London? Do you need seconds, minutes or hours? Challenge: Do you know your 5 times tables? Knowing them will help you tell the time to the nearest 5 minute intervals. E.g. Can you show 25 minutes past 3 on a clock?

Challenge 2– English

Keep a diary for a week. Be like Samuel Peyps. Write what you did and saw each day. Document the date and time of events.

Weekly Challenges – Spellings, Tables and Reading

Remember daily reading and make a comment in your reading record book at least 3 times a week. Use [TTRS](#) to practise your times tables. Try the **jamming section** to choose which tables you can practise. Play on [Spelling Shed](#) to practise your weekly spellings. Play on past tests to practise Year 2 common exception words.

Challenge 5 –Art

Be creative Draw/Paint/Craft a picture to show the Great fire of London in 1666. There are lots of paintings of this time to inspire you.

Challenge 3 –

DT/Maths/English

Bake some bread or biscuits like the Baker in Pudding Lane. Measure the ingredients carefully. Put the instructions in your book. Can you find the imperative 'bossy' verbs?

Challenge 6 – History

Discuss with your family historical events that have happened in the past in Britain. Include recent history. What interesting things have you found out? Share with your family what you have learnt so far about 'The Great Fire of London'.

Challenge 4– Geography

Map skills Find London on a map. Find 6 other capital cities on a world map? Can you remember all the continents and oceans of the world?

Challenge 7 - DT

Make a 3D model of a building. Use any materials you would like. Card board, wood, lego etc.

Choose and complete one piece of home learning each week. Home Learning books should be in school EVERY TUESDAY with a piece of completed home learning inside. Please write the challenge you have completed for that week in the box on the right and at the top of the page in your home learning book.
