Create a 3D model of a castle.

No bigger than a shoe box please!

Write about an adventurous day out you would like to have.

Where would you go?  
Who would you go with?

Create a shield of armour. You could use cardboard or draw a picture.

Practise telling the time to o'clock and half past.

Write the days of the week and the months of the year.

Remember to use capital letters!

Interview a family friend or relative about their best day out ever!

Write down the questions before you start...  
**When? Where? Who? How? What?**  
Don't forget to use question marks.

Please choose and complete 1 task every week, in any order. We will have a class gallery weekly to celebrate children's home learning.
