What does COVID secure mean?

We have risk assessed all sites to ensure we have put in place workplace adjustments to manage the risk and protect workers and others from coronavirus.

Because of this we have a limited amount of people in the rooms being used and all sessions are bookable only.

Surfaces and toys are cleaned before and after groups/courses.

If you have any concerns or questions please feel free to contact a member of staff.

Although our services may seem limited, the health visiting service are running bookable child health clinics in all our open centres, please contact
