

Challenge One - Writing

Research the food eaten by first class passengers aboard the Titanic and write a menu that could have been used by a restaurant aboard the ship.

You can choose which order you complete the first 5 challenges but challenge 6 must be completed in the final week of term 1.

Titanic

Challenge Two - Art

Draw a picture of a room on the Titanic.
Is it an area used by first, second or third class passengers?

Challenge Three - Science

What can you find out about electricity?
Design a fact file poster. You could use diagrams and photographs.

Challenge Four - Writing

Research a Titanic Survivor.
In your own words, write what they remember about the sinking.

Do you know of anyone that sailed on the Titanic?

What can you tell us about them?

Challenge Five – Free choice

You can use your imagination and produce a piece of home learning to demonstrate your understanding of The Titanic.
For example, you may wish to make a 3D Titanic model from card or you could investigate the crew who sailed aboard the ship.

Challenge Six – Presentation

During this week you will present to your classmates what you have enjoyed about the topic and what you have learnt. You can choose a format to present, for example a piece of writing, PowerPoint presentation, a detailed poster, video or another format.
The choice is yours!

Challenge	Date	Signed
	13/09/21	
	20/09/21	
	27/09/21	
	04/10/21	
	11/10/21	
6	18/10/21	

Please continue to read daily, practise your times tables by using TT Rockstars and Spelling Frame to practise spellings.
