# Behaviour Policy

September 2022

We are currently in the process of updating our Behaviour Management Policy to reflect our revised Proactive Behaviour cycle.

The policy is weighted in theory and takes into account DfE guidance, Local Authority advice and the findings of the Education Endowment Foundation, along with a sound understanding of the lives and needs of West Borough Primary School pupils.

The Proactive Behaviour Management Policy provides a framework for a calm, supportive and safe environment in which children can learn to self-regulate and flourish as respected members of their school community.

The full policy will be reviewed by the Governing Body on 27<sup>th</sup> September 2022 and shared with all relevant parties upon approval.
