West Borough Primary School - Home Learning

Year: 4

Topic: Light and Sound

Term: 1

Light and Sound

Challenge One – Maths

Create a maths game for practising adding or subtraction. Remember to include the instructions so that we can play your game. If you don't have the materials at home to make your games draw a plan in your book.

Challenge Two – Science

Research rainbows and create a fact file. What is a rainbow and why do we see them? What causes them?

Challenge Three – Spelling

Learn how to spell 10 words that are linked to light and sound and write a definition (meaning) for each word. Use the information on your knowledge organisers to help. You could present this as a picture dictionary.

Challenge four - Book Review

Write a review of a book you have read recently and enjoyed. Make this creative and colourful.

Challenge five – RHE

Draw a picture of you and write your hobbies and interests around the outside.

Challenge Six- Free Choice

Your own choice of home learning based on 'light and sound", this can be presented in any way. For example; a model, a piece of writing or PowerPoint, the options are endless.

Date	challenge	Signed

Remember to ensure your learning is presented to the same high quality as in your school work. If you create a model please include a written explanation of it. Home Learning books should be in school EVERY MONDAY with one piece of completed home learning. Books will then go home on a Tuesday after the children have shared their learning with the class.
