Introduction

This document is a statement of the aims, principles and strategies for West Borough Primary School in relation to tackling all forms of bullying. This policy is based on DfE guidance **“Preventing and Tackling Bullying” July 2017** and supporting documents. It also considers the DfE statutory guidance **“Keeping Children Safe in Education” 2022** and **“Sexual violence and sexual harassment between children in schools and colleges”** guidance. The setting has also read Childnet’s **“Cyberbullying: Understand, Prevent and Respond: Guidance for Schools”**.

This policy should be read in conjunction with the Proactive Behaviour Management Policy, Positive Handling Policy, Inclusion Policy, Exclusion Policy, Child Protection Policy and the RE and Collective Worship Policy to establish the general ethos of the school.

The Anti-Bullying Policy provides a framework for a happy, supportive and safe environment in which children can flourish as respected members of the West Borough Primary School community. It is evidence of our commitment to an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

Our Vision

At West Borough Primary School we instil a respect for others and a fascination with the world around us.

Within our creative environment, we foster life skills.

This gives us the opportunity to learn, take responsibility and to become independent citizens.

Our Core Values

At West Borough Primary School we have 5 Core Values which underpin everything we do:

- Equality
- Responsibility
- Respect
- Resilience
- Challenge

Community Code

Our Core Values are evidenced on a daily basis through our Community Code; the way we expect all community members to behave.

Be kind, be safe, be responsible and embrace challenge!

I. Aims

This policy aims to:

- › Ensure that all pupils have the opportunity to learn in a calm, safe and supportive environment
- › Establish a whole-school anti-bullying culture
- › Outline the expectations and consequences of any incidents of bullying
- › Provide a consistent approach to bullying that is applied to all pupils to meet their presenting needs
- › Define what we consider to be unacceptable behaviour, including bullying and discrimination

2. Legislation, statutory requirements and statutory guidance

This policy is based on legislation and advice from the Department for Education (DfE) on:

- › The Education and Inspection Act 2006, 2011
- › The Equality Act 2010
- › The Children Act 1989
- › Protection from Harassment Act 1997

- › Behaviour and discipline in schools: advice for headteachers and school staff, 2016
- › Behaviour in schools: advice for headteachers and school staff 2022
- › Keeping Children Safe in Education

It is also based on the [Special Educational Needs and Disability \(SEND\) Code of Practice](#).

In addition, this policy is based on:

- › Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils
- › Sections 88 to 94 of the [Education and Inspections Act 2006](#), which requires schools to regulate pupils' behaviour and publish a Proactive Behaviour Management Policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property

3. Responsibilities

It is the responsibility of:

- › The Headteacher to communicate this policy to the school community, to ensure that consequences are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- › Governors to take a lead role in monitoring and reviewing this policy.
- › All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.

7. School Ethos

West Borough Primary School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

By effectively preventing and tackling bullying our school can help to create a safe and calm environment, where pupils are able to learn and fulfil their potential.

Bullying is considered a serious behaviour of concern and managed accordingly. Bullying will not be tolerated and adults and children alike share the responsibility of being vigilant to such behaviours.
