Headteacher's Message

Term 1 at West Borough has been one of our most eventful yet! As you may be aware the Air Ambulance landed without warning on the school field, causing much excitement.

Fortunately the child who was being airlifted to hospital made a complete recovery.

Many thanks to all of our parents who attended the Autumn term TLC's. Parental support and engagement is such an important part of a child's learning journey and has a significant impact on the progress they make in school.

We are saying a temporary goodbye to Miss Woollard who is due to have her baby in early November. We will of course share the exciting news with you once he arrives. Mrs Shirley will be joining us as the Cherry Class teacher. I am sure you will all give her a warm West Borough Welcome.

We are currently in the process of updating our Website. As a start we have updated the calendar which now includes the key dates across the year, which I hope you will find helpful.

We have had some changes to our Governing Body. I am delighted to inform you that our new chair is Laura Wright and our new vice chair is Reece Jacobs. Both are excited to be leading Governance at West Borough and I am sure that our strong governing body will remain an asset to the school.

Here's to a great term 2!
