

Year 6 Term Three Home Learning Project

Focus: Geography (Rainforests)

ART

Design your own (temperate or tropical) rainforest animal. Then write about your animal. Include:

The importance of what it looks like

Its habitat within the rainforest

Diet and Eating Habits

Your animal can be drawn or made from a collage of interesting textures, shapes, colours and patterns.

Remember to give your animal a name!

COMPUTING

Create an ebrochure for a new travel company which arranges visits to a tropical rainforest (you decide which rainforest).

Use powerful images and text to tempt customers who want an extra special trip!

Remember to give your brochure a snazzy title!

Choose **one** home learning project to complete.

Home Learning Project due

MONDAY 10th FEBRUARY 2025

DT

Design in your home learning book and then make a new invention that all tropical rainforest adventures would want to take with them whilst exploring the beauty and the dangers of a (temperate or tropical) rainforest.

Your invention should be as unique as possible and can be multi-functional.

Let your imagination run wild!

GEOGRAPHY

Find out about the indigenous people of the Amazon rainforest.

Their life inside the rainforest.

How have their lives changed over time?

What caused these changes?

Include diagrams, drawings or photographs.

ENGLISH

Imagine you were lost in a (temperate or tropical) rainforest . Write a diary recount covering *several days* describing your experience.

HOME LEARNING EXPECTATIONS

Home learning is an important part of your education. It helps reinforce what you have learned in class and encourages independent thinking.

We expect everyone to complete this assignment on time, ensuring that you put forth your best effort.

Your project should be: neatly presented; legible handwriting (with minimum crossing out, which should be done in pencil); written in your own words; carefully drawn drawings.

Any questions or difficulties should be addressed with your teacher.

Remember, staying organised and managing your time well will help you succeed!
