

Headteacher Newsletter

Friday 2nd October 2026

It has been another action-packed week at West Borough, and as always, it has been lovely to see the enthusiasm and energy that our children bring to school each day.

A huge thank you to all of the parents, carers and family members for their tremendous support at the Macmillan Coffee Morning - I know it is charity that is close to the hearts of so many of our families and we raised an amazing **£391.69!**

This week, our Year 6 classes visited the war tunnels at MGGs, where they had the opportunity to step back in time and find out more about what life was like during the Second World War. The visit helped to bring their history learning to life as they explored the tunnels, discovered how they were used during the war and imagined what it would have been like for people sheltering there. This was a fascinating experience for everyone!

Across the rest of the school, children have continued to impress us with their hard work, positive attitudes and enthusiasm for learning.

Have a lovely weekend, and we look forward to seeing everyone again next week.

Welcome to our new Mini FGB School Council

Our Mini Governors are ready to get to work! ★

After lots of fantastic applications, Mrs Birtchnell has recruited the first members of our brand-new Mini FGB!

Our Mini Governors have an important job.

- They will help make sure that children's voices are heard when we are thinking about our school and how we can make it even better.
- They'll gather ideas from other children, meet with school leaders, look at different parts of school life and share their thoughts about what's working well and what we could improve.

We had so many brilliant applications, and we were incredibly impressed by the enthusiasm, ideas and confidence shown by our children. A huge congratulations to our first Mini FGB members. We think you're going to do a brilliant job!

School Office & Reception

Thank you to all our parents and carers for adhering to our new arrangements when visiting the school office. We really appreciate your support.

To protect the privacy and confidentiality of all our families, we ask that only one family enters the reception area at a time. If another family is already being seen, please wait outside until they have finished.

This arrangement also ensures that parents and carers who need to speak with our Family Liaison Officer (FLO), whose office is located opposite the main school office, are able to do so privately and confidentially.

Thank you for your understanding and for helping us to ensure that every family feels comfortable when speaking with members of our team.
